PUBLIC COMMENT:

1. 10th Ave Residents We had 5 concerned residents from 10th Ave attend the meeting with concerns about hearing that 10th Ave was going to be graveled. They are very concerned about how the county splits up money between townships. They asked the road commission about having the road become a weight restricted rd. so farm equipment would be able to go down although at a slower speed to help save the road some. The answer was No that could not be done. Although, information has been found on an internet site that states yes it could be done. Right now (because of the swampy area on 10th Ave) the cost to correctly repave the road would be \$200,000 a mile. Questions left from the conversation are: Is there a pot of money that is split among the townships? If so how is it split and if not why?

UNFINISHED BUSINESS:

1. **Benny Blanzky** (This information was from our Jan. 2018 Board Meeting Gave Amy pricing for Mimosa Wireless Radio B5 Litepair. After a discussion we are going to table this and check into Cas Air.) Lee Carte made a motion to un-table the motion from Benny Blanzky, Amy Snyder supported the motion, all in favor, motion carried. Lee Carte made a motion to turn down the bid from Benny Blanzky for the Mimosa Radio B5 Litepair, Amy Snyder supported the motion, all in favor, motion carried.
