Here at the department, we are gearing up for the annual breakfast with Santa on December 11th. If you aren't busy and want to get into the Christmas spirit please come down and visit with us and Santa from 9am to noon on the 11th. We will have pancakes and sausage prepared by none other than the men and women who serve on the Fire department. One of our members recently completed her EMT class and is now a certified Emergency Medical Technician. Our rescue side of the department is comprised of 6 EMT's, 1 paramedic, and 4 Emergency Medical First Responders. We have two new members who are taking their first responder classes now and should graduate in December. Also, we have two members who will be taking Fire Fighter I & II starting December.

Remus DDA

The most common question is what DDA stands for; A Downtown Development Authority (DDA) is **designed to be a catalyst in the development of a community's downtown district.** Our current DDA board consists of business owners, managers, and reps from a variety of businesses in town. We are not limited to owners or employees of businesses, anyone who would like to see growth in the town and community are more than welcome to join or attend meetings. We, as the DDA, are committed to the community growth and projects to support such. This year we've proudly been able to help complete the pavilion with the addition of the bathrooms, freezers "kindly donated by Leprino's" were added to the kitchen, and in use for Heritage days. And we will be working on completion of the kitchen in 2022 for the community to enjoy. We also were able to complete a walking/exercise path at the park for public. In addition, we made the flowers that decorate the streets a reality, the light poles, benches and so much more. We have many great things coming in 2022, consider attending or becoming a member of the Remus DDA
